

populations as well as procedures to upgrade or downgrade the evaluation of the results of animal bioassay or epidemiology studies.

This is the first step in the review of the criteria and the entire meeting is open to the public. The meeting will begin with a plenary session which will provide background on the BRC and a public comment session. The working group will then break into three groups, each addressing the same issues. Break out groups will meet on the afternoon of April 24 and the morning of April 25. The final session will be a plenary session at which time break-out groups will report on their deliberations.

Background—

The Biennial Report on Carcinogens (BRC) is prepared in response to Section 301(b)(4) of the PHS Act which stipulates that the Secretary of DHHS shall publish a report which contains a list of all substances (1) which either are known to be human carcinogens or may reasonably be anticipated to be human carcinogens; and (2) to which a significant number of persons residing in the U.S. are exposed. A background and discussion document for use by the ad hoc working group and for review and comment by the public, is available upon request. Copies of the document can be obtained by contacting Dr. C. W. Jameson at NIEHS, P.O. Box 12233, Research Triangle Park, NC 27709, or by FAX to: (919)–541–2242.

Action—Request for Public Input

Public input concerning the criteria for listing a substance in the BRC is important to the review process and is encouraged. Written comments can be submitted to Dr. C. W. Jameson at NIEHS, P.O. Box 12233, Research Triangle Park, NC 27709, or by Fax to: (919)–541–2242. To be considered by the ad hoc working group at their April 24 & 25 deliberations, written comments must be received by April 12, 1995. Oral comments during the April 24 & 25 public meeting should be as brief as possible and will be limited to five minutes to permit maximum participation. Written comments accompanying the oral statements are encouraged and should be received by COB April 12, 1995.

Registration for the Public Meeting

Although registration is not required, it would be helpful for organizing the time available to hear in advance from persons who plan to make comments or statements. Please contact Dr. C.W. Jameson at NIEHS, P.O. Box 12233, Research Triangle Park, NC 27709, or by Fax to: (919)–541–2242.

Dated: March 20, 1995.

[Docket No. N–95–1917; FR–3778–N–29]

Federal Property Suitable as Facilities to Assist the Homeless

AGENCY: Office of the Assistant Secretary for Community Planning and Development, HUD.

ACTION: Notice.

SUMMARY: This Notice identifies unutilized, underutilized, excess, and surplus Federal property reviewed by HUD for suitability for possible use to assist the homeless.

ADDRESSES: For further information, contact William A. Molster, room 7256, Department of Housing and Urban Development, 451 Seventh Street SW, Washington, DC 20410; telephone (202) 708–1226; TDD number for the hearing- and speech-impaired (202) 708–2565 (these telephone numbers are not toll-free), or call the toll-free Title V information line at 1–800–927–7588.

SUPPLEMENTARY INFORMATION: In accordance with sections 2905 and 2906 of the National Defense Authorization Act for Fiscal Year 1994, P.L. 103–160 (Pryor Act Amendment) and with 56 FR 23789 (May 24, 1991) and section 501 of the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11411), as amended, HUD is publishing this Notice to identify Federal buildings and other real property that HUD has reviewed for suitability for use to assist the homeless. The properties were reviewed using information provided to HUD by Federal landholding agencies regarding unutilized and underutilized buildings and real property controlled by such agencies or by GSA regarding its inventory of excess or surplus Federal property. This Notice is also published in order to comply with the April 21, 1993 Court Order in *Natonal Coalition for the Homeless v. Veterans Administration*, No. 88–2503–OG (D.D.C.).

These properties reviewed are listed as suitable/available and unsuitable. In accordance with the Pryor Act Amendment the suitable properties will

be made available for use to assist the homeless.

Properties listed as suitable/available will be available exclusively for homeless use for a period of 60 days from the date of this Notice. Please be advised, in accordance with the provisions of the Pryor Act Amendment, that if no expressions of interest or applications are received by the Department of Health and Human Services (HHS) during the 60 day period, these properties will no longer be available for use to assist the homeless. In the case of buildings and properties for which no such notice is received, these buildings and properties shall be available only for the purpose of permitting a redevelopment authority to express in writing an interest in the use of such buildings and properties. These buildings and properties shall be available for a submission by such redevelopment authority exclusively for one year. Building and properties available for a redevelopment authority shall not be available for use to assist the homeless. If a redevelopment authority does not express an interest in the use of the buildings or properties or commence the use of buildings or properties within the applicable time period such buildings and properties shall then be republished as properties available for use to assist the homeless pursuant to section 501 of the Stewart B. McKinney Homeless Assistance Act.

Homeless assistance providers interested in any such property should send a written expression of interest to HHS, addressed to Judy Breitman, Division of Health Facilities Planning, U.S. Public Health Service, HHS, room 17A–10, 5600 Fishers Lane, Rockville, MD 20857; (301) 443–2265. (This is not a toll-free number.) HHS will mail to the interested provider an application packet, which will include instructions for completing the application. In order to maximize the opportunity to utilize a suitable property, providers should submit their written expressions of interest as soon as possible. For complete details concerning the processing of applications, the reader is encouraged to refer to the interim rule governing this program, 56 FR 23789 (May 24, 1991).

Properties listed as unsuitable will not be made available for any other purpose for 20 days from the date of this Notice. Homeless assistance providers interested in a review by HUD of the determination of unsuitability should call the toll free information line at 1–800–927–7588 for detailed instructions or write a letter to William A. Molster at the address listed at the beginning of this Notice. Included in the request for

review should be the property address (including zip code), the date of publication in the **Federal Register**, the landholding agency, and the property number.

For more information regarding particular properties identified in this Notice (i.e., acreage, floor plan, existing sanitary facilities, exact street address), providers should contact the appropriate landholding agencies at the following addresses: Corps of Engineers: Gary B. Paterson, Chief, Base Realignment and Closure Office, Directorate of Real Estate, 20 Massachusetts Ave., NW, Rm. 4133, Washington, DC 20314-1000; (202) 272-0520; (This is not a toll-free number).

Dated: March 16, 1995.
